Thanks to the generosity of our donors, The Nantucket Dreamland and Dreamland Stage Company are pleased to offer need-based financial aid to give more young people the opportunity to participate in the performing arts. Dreamland Stage Company offers a limited number of financial aid packages each year, and we expect recipients to take seriously the commitment to the program and to this financial gift. The goal of the Dreamland Stage Company Performing Arts Scholarship is to provide access to performing arts education and strives to ensure every child has the opportunity to learn and grow through the arts.
